Find The Joy

scripture for the week

Psalms 70:4

“But may all who seek You rejoice and be glad in You;
may those who love Your salvation always say, ‘Let God be exalted!’ ”

message for the week

Over the next few weeks we are going to go on an adventure to try and find as much Joy as possible. No matter what is happening around us, we have the Holy Spirit living inside us and because of Him, we can always be joyful. However, sometimes we lose our joy. If you have lost some of yours then do not fear, we are going to have fun finding it again.

activity for the week

This week we are going to do a treasure hunt.

As you go on your treasure hunt, remember; to know God and to hear His voice is the greatest treasure imaginable. His Word is like clues that we need to read and try and understand so that it can help us grow and move forward in our lives. If we don't read our Bibles and ask the Holy Spirit to help us understand the Word, then we will get stuck in the same place. We find Joy when we learn new things about God.
